European Language Resource Coordination

ELRC Finland Workshop | 24.10.2018

Aivars Bērziņš| ELRC/Tilde
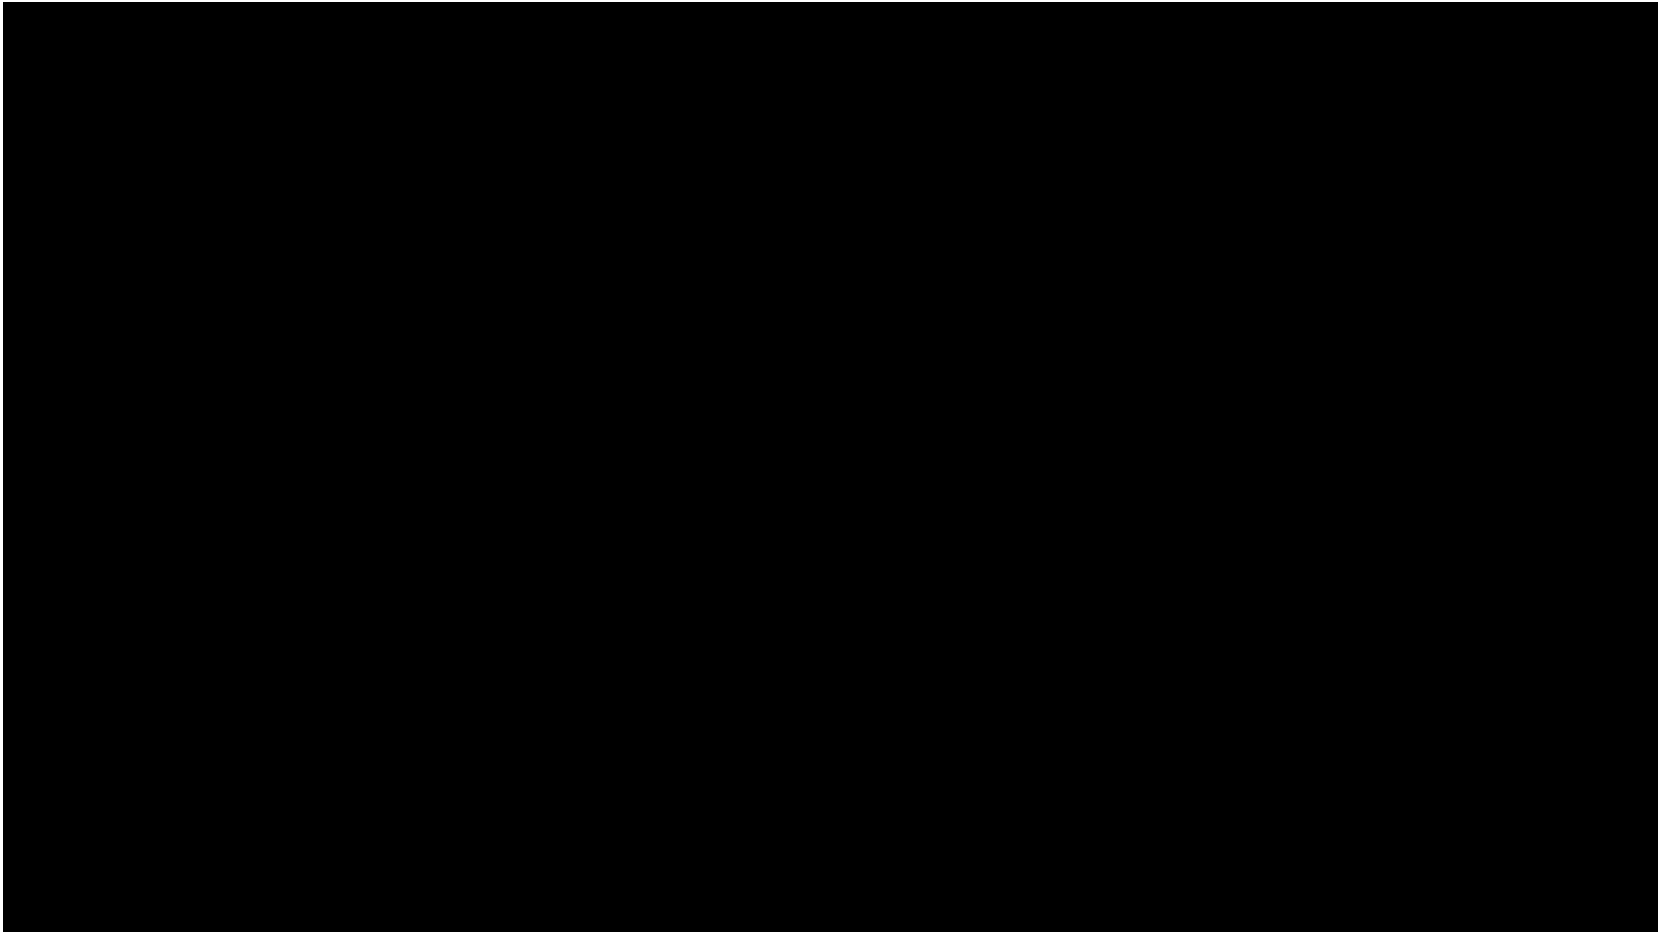

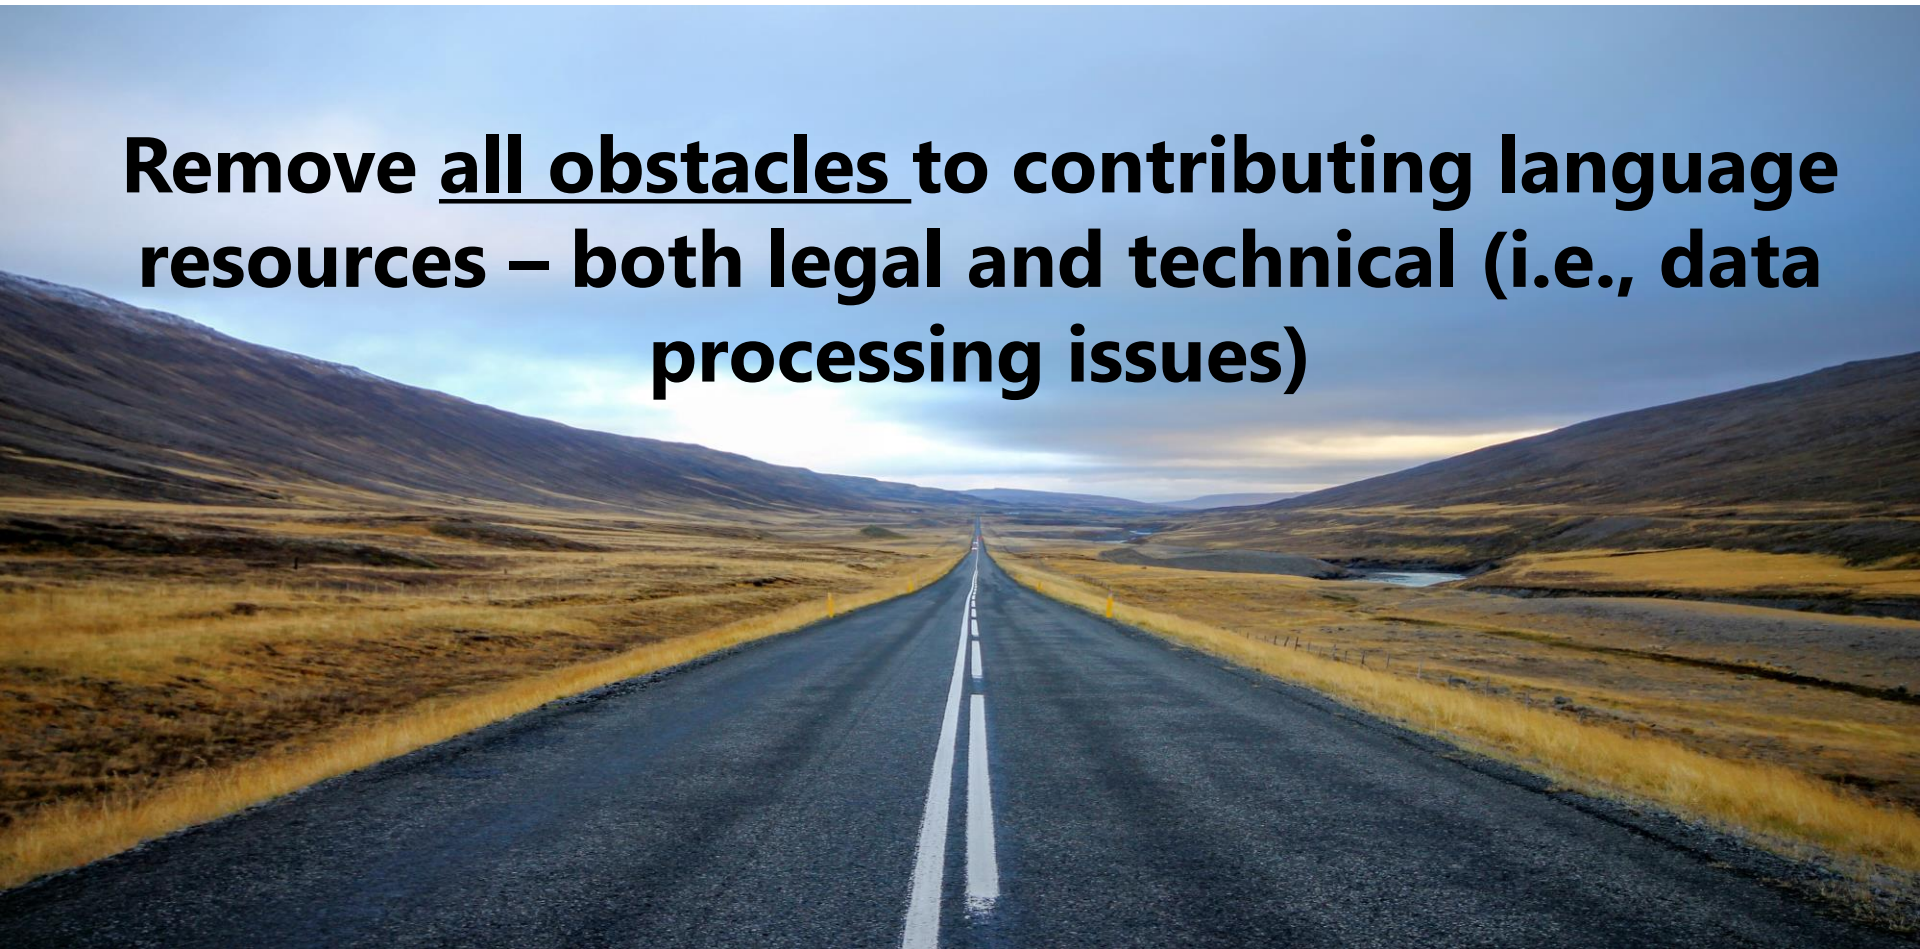

Welcome by the EC

Goals of ELRC

Remove <u>all obstacles</u> to contributing language resources – both legal and technical (i.e., data processing issues)

Help data contributors to provide language resources for building better MT systems in CEF eTranslation, benefiting all of Europe

What does ELRC do?

Collect	• Language resources
Identify	• Needs of public services
Engage	• With the public sector in the identification of LR
Help	• With any technical or legal issues
Act	• Observatory for language resources across Europe
