The screenshot shows the homepage of the European Language Resource Coordination website. At the top right, there is a language dropdown menu set to "Български" (Bulgarian). Below it is a search bar with a "Search" button. A navigation menu includes links for Home, Discover, Resources, Services, Events, Anchor Points, News, and Helpdesk. The main header features the organization's logo and the text "European Language Resource Coordination". The background is a photograph of a modern building with a glass facade and balconies. Overlaid on this image is the text "European Language Resource Coordination — supporting Multilingual Europe". At the bottom left, there are two yellow buttons: "ELRC-SHARE" and "Subscribe to Newsletter", both with right-pointing arrows.
