

Summary and Conclusions

Andrea Lösch (DFKI)

- ✓ Help to provide language resources
- ✓ for building better MT systems in CEF
eTranslation
- ✓ to overcome language barriers in public services

- ELRC Services:
 - Simply be in touch with us 😊
 - This also includes support to any legal questions that we have discussed today!
- Country-profiles:
 - We will update the country profiles according to today's input
 - Individual follow-up to develop and finalize the action plan for each country for overcoming current obstacles
 - Should the results be formulated as White Paper?
- Organisational matters:
 - Travel reimbursement form is available [here](#)
- Public consultation „The use of languages in the EU institutions, bodies, offices and agencies“
 - Please participate [here](#) (Deadline: 30 September 2018)
