

European Language Resource Coordination (ELRC) – what's next...?

Andrea Lösch (DFKI)

- ELRC – and what next...?
- The second (and larger) step!
 - **What?**
 1. Language Resource (LR) coordination and collection, incl. related technical and legal support
 2. Acquisition and processing of additional LR
 3. Evaluation of MT tools and systems
 - **When?** In the next 3 years (13.12.2016 – 12.12.2019)
 - **Who?** ELRC Consortium (DFKI, ELDA, ILSP, Tilde) with the LRB (National Anchor Points in all CEF affiliated countries)
 - **Why...?**

- CEF eTranslation shall facilitate multilingual communication and exchange of documents in key public administration scenarios:
 - Social security, consumer rights, justice, public procurement, culture, health etc.
 - Specific public online services:
 - [Electronic Exchange of Social Security Information \(EESSI\)](#),
 - [Online Dispute Resolution \(ODR\)](#),
 - [eJustice](#),
 - [Europeana](#),
 - [European Data Portal \(EDP\)](#),
 - eHealth, ...
- Data are the key for successful adaptation of MT systems!

- ELRC aims and objectives
 - Collecting **data** to adapt CEF eTranslation to the needs of public services in all CEF-affiliated countries (particular focus: Digital Online Services of CEF)
 - Engaging the public sector in the identification and continuous sharing of data for CEF eTranslation
 - Helping with legal and technical issues associated with the collection and/or provision of data by public service administrations
 - Acting as observatory for language resources across all EU Member States and CEF-affiliated countries

- **ELRC Workshops**
 - Target audience: public service administrations
 - Objectives: Reach-out and support to facilitate data collection in each of the 30 participating countries
- **ELRC Language Resource Board (LRB)**
 - Governance body of the ELRC, chaired by the EC & Consortium
 - Tasks: Consultation, support, and local expertise
 - 1 Technology NAP and 1 Public Service NAP from each country
- **ELRC Technical and Legal Helpdesk**
 - Continuous support for potential data donors (phone, email, ...)
 - Accessible online via <http://www.lr-coordination.eu/helpdesk>
- **ELRC Annual Conference**
 - 7th / 8th of November 2017 in Brussels – attached to Translating Europe Forum (TEF)

- **The ELRC-SHARE Repository for data donations**
 - Data collection and upload facility of the ELRC
 - Used for collecting, documenting, storing, browsing resources
 - Available online via <http://www.lr-coordination.eu/resources>

- ELRC will cover your costs for transport and accommodation up to a maximum of 500 EUR
- The reimbursement form is now available on the ELRC webpage at <http://www.lr-coordination.eu/4thlrb>
- Important notes:
 - Please complete all (!!) fields
 - Please print and sign
 - Please send the signed form along with all (!!) original documents supporting your claim (i.e. corresponding receipts) to elrc-secretariat@dfki.de

Thank you for your attention!
