OUTLOOK

COVID-19 INITIATIVE

COVID-19 Initiative at a glance:

COLLECTION OF LANGUAGE RESOURCES

to process information from various sources (including translation, extraction or support to fake news detection)

The resources will be made available to all under the most permissive license for non-commercial research

COLLECTION OF TOOLS

to train/assess Language Technology tools

The performance of such tools will be assessed; Right holders will be encouraged to make them available for integration in non-commercial applications to serve the community at large

To view or contribute COVID-19 related resources or tools, visit the COVID-19 special section of the ELRC-SHARE https://www.elrc-share.eu/
