# What did/does ELRC do?

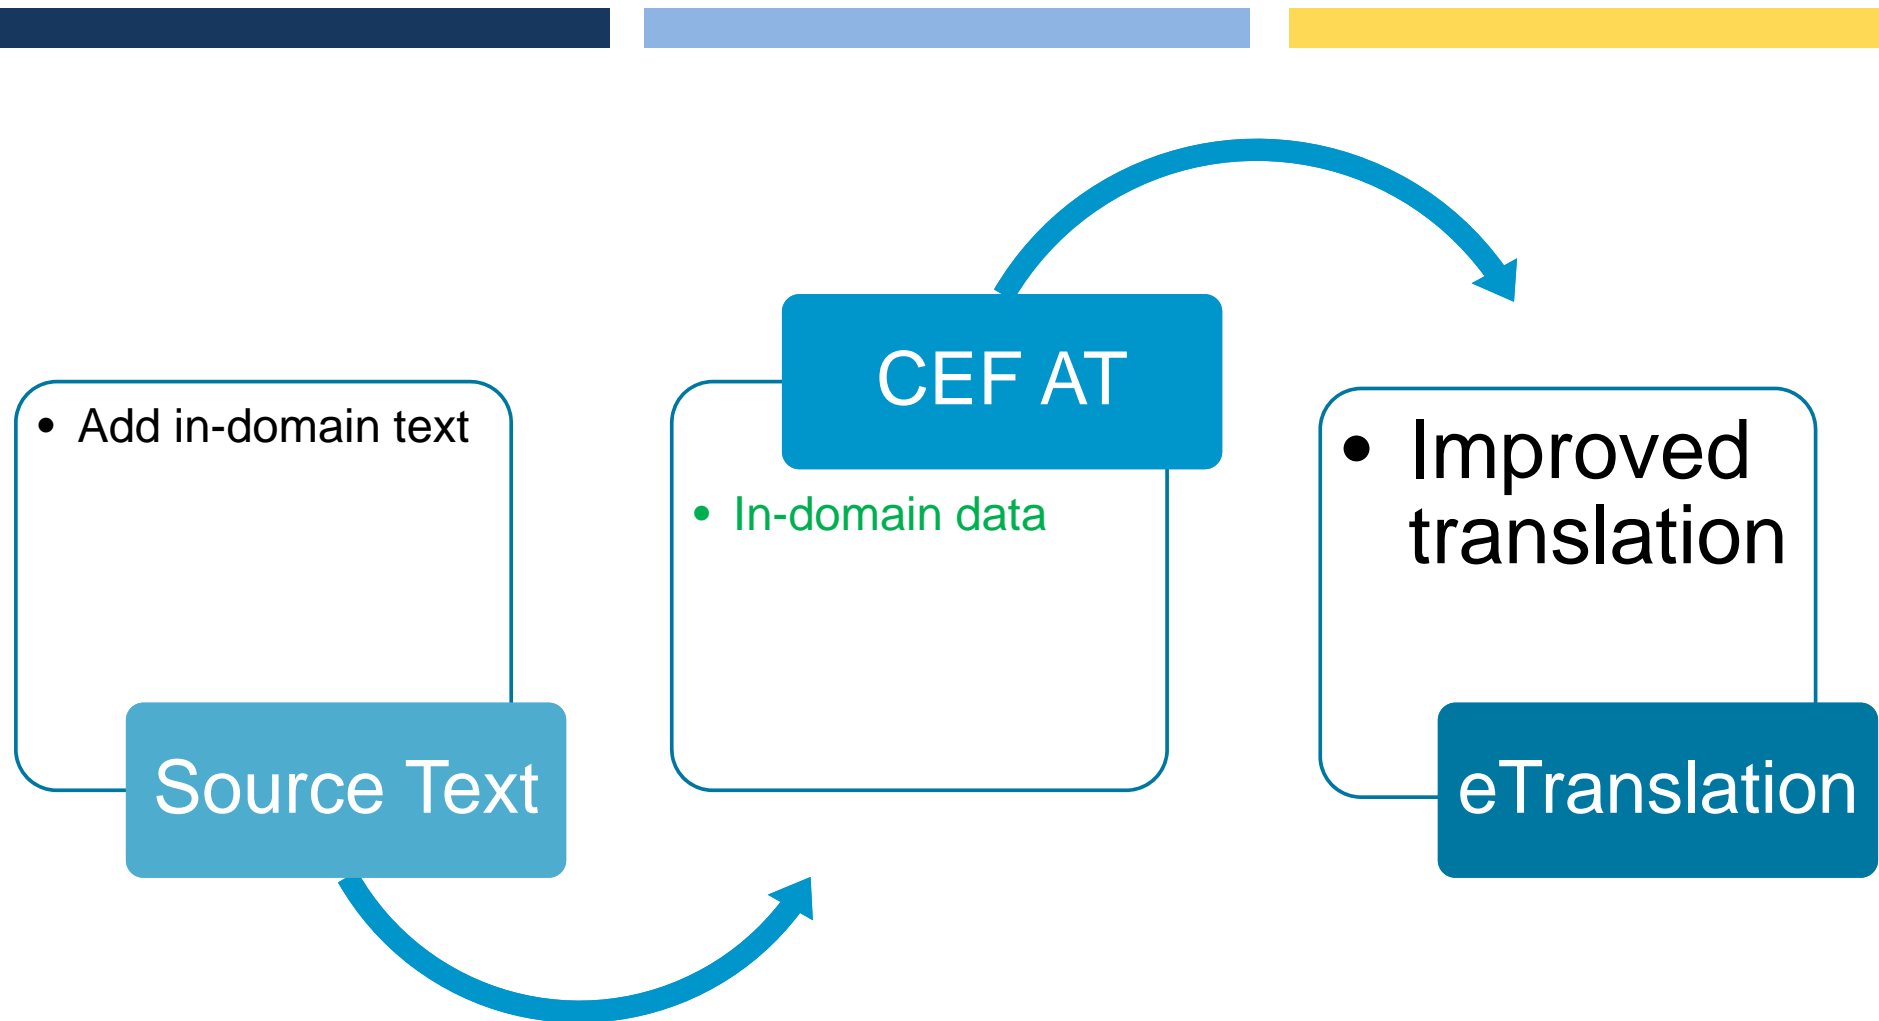

# Why ELRC .. Short illustration

- To facilitate multilingual communication and exchange of information in key public service scenarios
- How? With the right language resources!
- Examples of public services scenarios to which eTranslation may be applied:
  - Consumer Rights (ODR),
  - Social Security (EESSI),
  - Justice (eJustice),
  - Commerce (BRIS),
  - Open Data (EDP),
  - ...

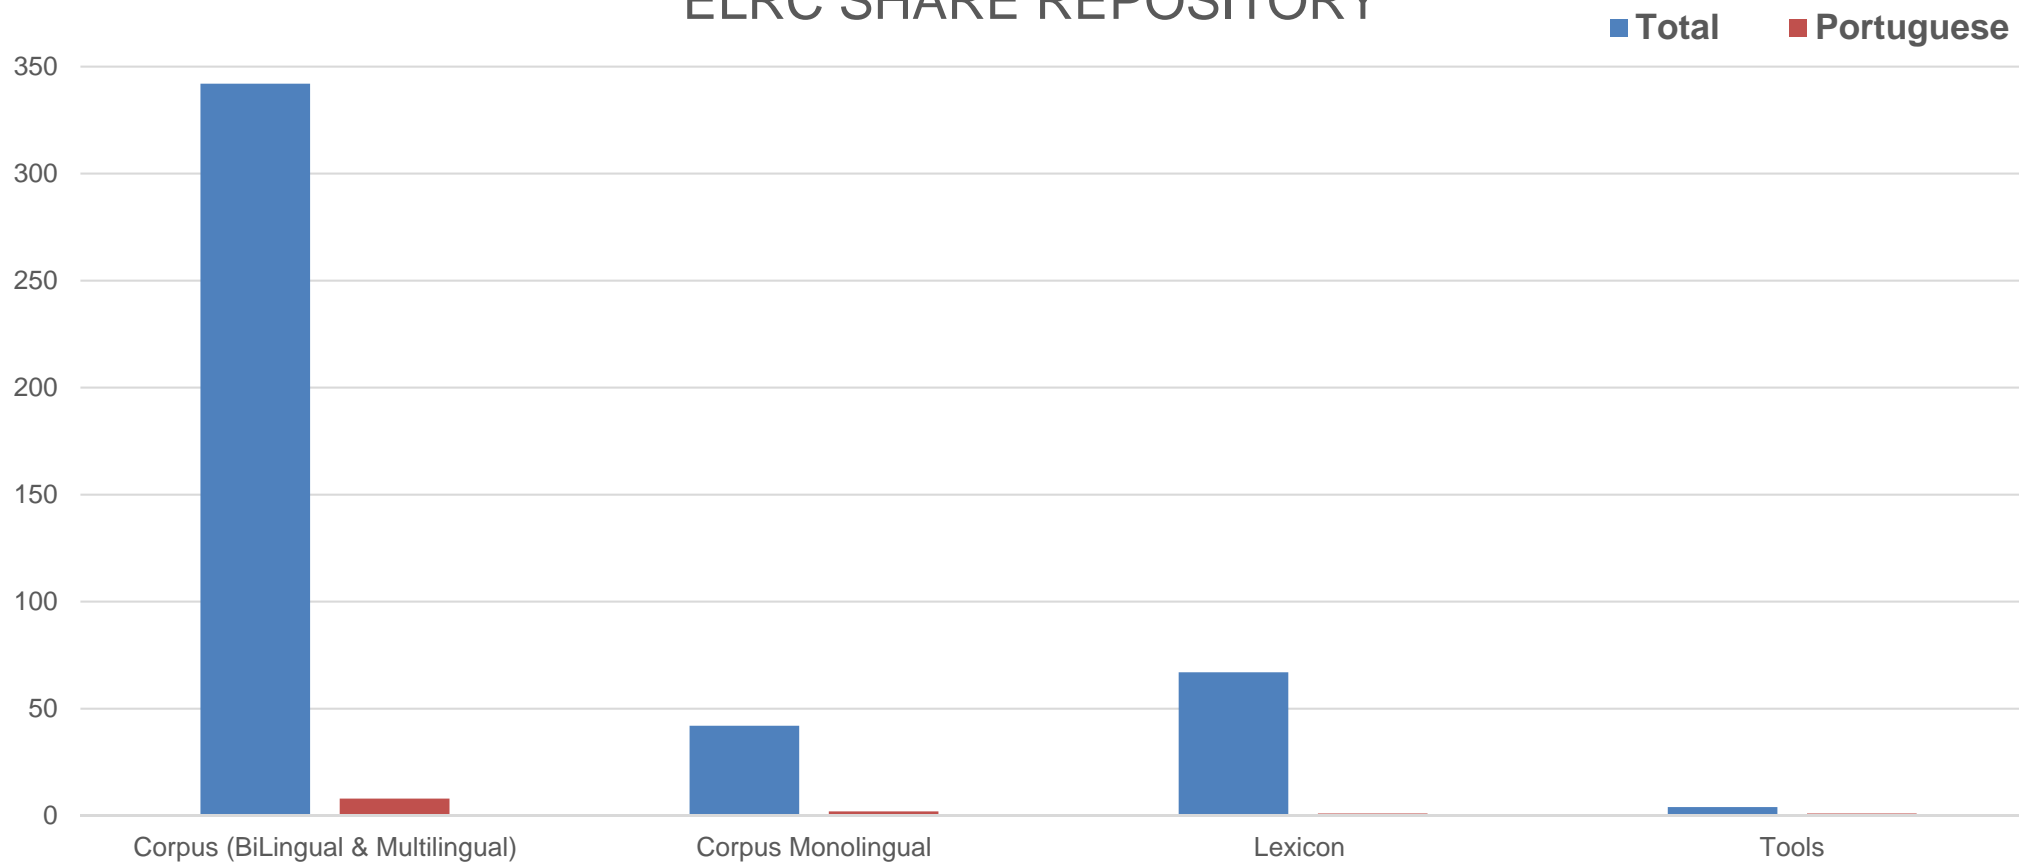

**→ Your language resources make a difference!**

- **The ELRC-SHARE Repository**

- Access to, sharing and contribution of language resources
- Access to tools and services catalogue (upcoming)
- Visit <http://www.lr-coordination.eu/resources>

The screenshot shows the homepage of the ELRC-SHARE Repository. At the top, there is a navigation menu with links for Home, Browse Resources, Help, About, Register, and Login. The main header features the text "ELRC-SHARE Repository" overlaid on a background image of various national flags. Below the header, a blue banner indicates "52 language resources at your disposal (and counting)". A search bar with the placeholder text "Type in your keywords, please..." and a blue "Search" button is positioned below the banner. The main content area begins with a welcome message: "Welcome to the ELRC-SHARE repository!". This is followed by a paragraph explaining that the repository is used for documenting, storing, browsing, and accessing language resources collected through the European Language Resource Coordination, which are considered useful for feeding the CEF Automated Translation (CEF.AT) platform. A final paragraph states that users can contribute resources by registering (new user) or logging in (returning user) and then describing and uploading their data with a simple form.

- **ELRC Technical and Legal Helpdesk**
  - Continuous support for potential data donors (phone, email, ...)
