I. legislation

law 4305/31.10.2014
(Government Gazette A237)

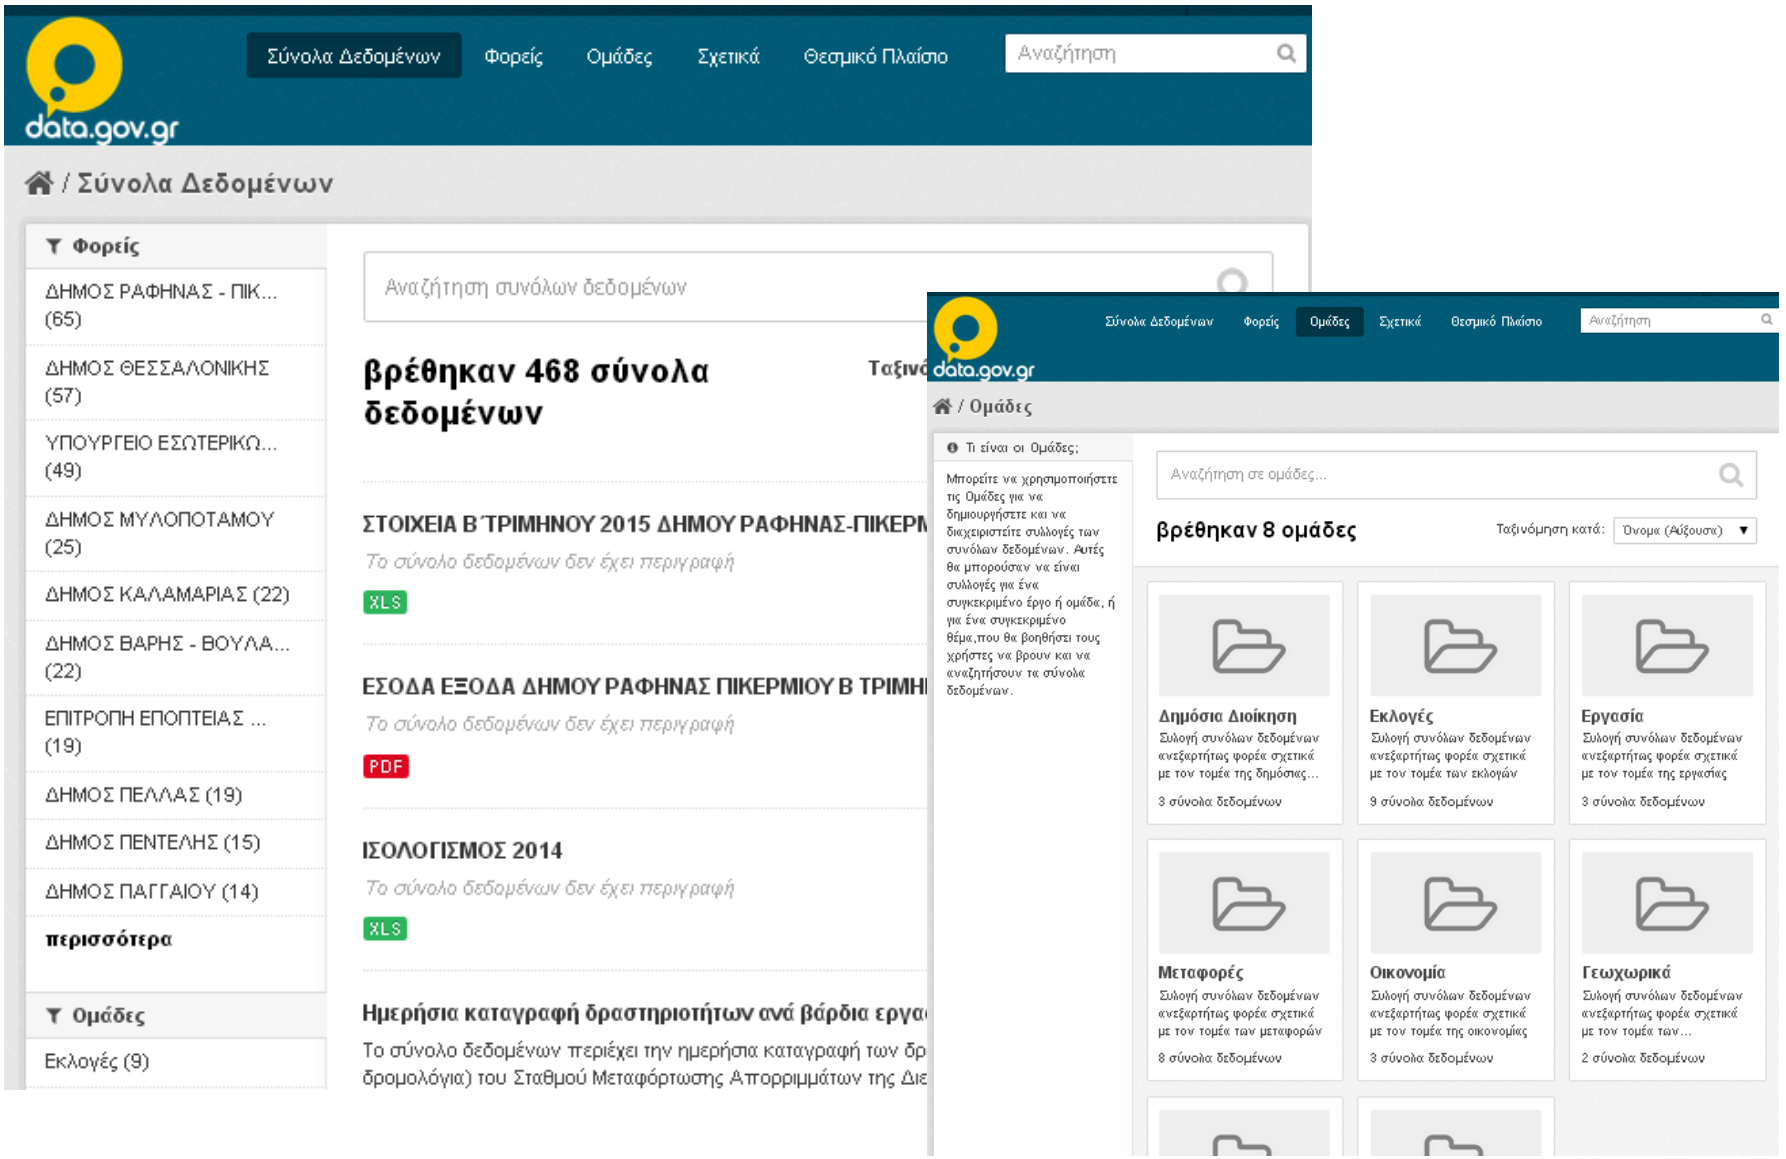
***Open** by default*

Directive 2013/37

What am I publishing?

How can I structure it so it can be re-used?

II. tools and processes



III. people and culture

challenges

- scope definition (top – down)
- introduce processes, involve actors (top – down)
- identify sources (bottom – up)
- maintain, publish (bottom – up)
- **quality, availability, continuity**

→Support the specific characteristics of linguistic data

- multilingual nature
- sequential nature
- hierarchical nature
- multidimensional nature
- highly integrated nature
- separation of information from format
